

Lori and Kayla Donohue Memorial College Fund for Christopher

People throughout our local community and the larger business community we serve have been deeply saddened by the tragic deaths this week of Lori Donohue and her daughter, Kayla. Lori and Kayla leave behind Lori's husband and their five-year-old son, Christopher. Many have asked what they can do to help.

Knowing Lori as we do, we think what she would have wanted most from us now would be for us to do what we can to ensure Christopher's future.

With this in mind, Lori's friends at Dorian Drake are establishing a 529 College Savings Fund to help Bob finance Christopher's college education. The company has made an initial fund pledge of \$10,000.

If you wish to contribute, you may do so by making your check payable to "New York 529 College Savings Program Advisor Plan" and mailing it to the attention of Marygrace Marbach, c/o Dorian Drake International, Inc., 2 Gannett Drive, White Plains, NY 10604.
