**Product Information**

**Sealers**

**Stone Spray-n-Seal**

water-based penetrating sealer that provides excellent stain protection on all natural stone surfaces including: granite, marble, limestone, slate, terra cotta, agglomerates, terrazzo, concrete, grout, travertine, ma-sonry, stucco, ceramic and porcelain tile. It is ideal for countertops, floors, walls, vanities and can be used for all interior and exterior applications, yet it allows the stone to breathe and it will not change the color of the stone. Seals against all oil and water-based spills and lasts for years

**Stone Spray-n-Seal XP**

water-based sealer provides amazing protection on all extra porous stones such as fine-grained granites, flamed granite, tumbled marble, limestone, slate, concrete, sandstone, flagstone and grout. Perfect for interior and exterior use. This below surface sealer repels all water and oil-based contaminants and prevents them from absorbing in, yet it allows the stone to breathe. Durable, long-lasting and will not change the color of the stone.

Gonzo Odor Eliminator Rocks

**OEB212 GZ BASEMENT/GARAGE ODOR ELIM. - 2LB**  
The Gonzo Odor Eliminator for Basements and Garages is the best way to keep musty areas smelling fresh. It eliminates odors without perfumes or cover-ups, using non-toxic and environmentally safe volcanic minerals. These minerals have a negative charge, allowing them to attract positively charged odors and trap them for good. Contained in a net bag, the minerals act like a magnet, drawing in unpleasant odors and removing them from the air. One 2 lb. bag is effective for an area of up to 600 square feet. Rocks can be recharged after 6 months by placing in direct sunlight.
